Sub : About Curriculum feedback of **Geography** Subject from your college students.

Ref : Your Letter LTDPC/271/2018-19 Dated : 15/06/2018

Respected sir,

With the above subject and reference I am communicating to you that, we received your letter and accepted the feedback of your college students. I am accepting that in **Geography** subject, students are facing some problems in curriculum. Student wants updated and job oriented syllabus. As well as more elective subjects, extra ordinary subjects. Now we are working on it and in **2019 pattern syllabus** we will clear all that quarries.

Thank You.

  
Dr. More J. C.  
BOS Chairman
